

PREPARE

Be Proactive in Knowing How You Will React

- Talk with your students and ask each other “what if...?” Sign up for UNH Text Alerts
- Download UNH Live Safe App for Smartphones
- Calls to 911 are better than regretting the one time you hesitated to call at all. **PICK UP THE PHONE**

Always:

- Stay calm
- Call 911
- Communicate with others in the building Use common sense

FIRE

Fire Alarm Goes Off

- Fire Dept. is automatically notified
- If there is no imminent danger, secure money
- Evacuate the public in your area
- Leave by nearest exit, do not lock doors
- Do not let anyone in
- The alarm may cease, but you cannot re-enter the building until the strobes stop flashing. There are strobes on the exterior of building.

If You Encounter a Fire

- Call 911
 - Pull fire alarm
 - Follow instructions above
