Career Tip of the Week

March 1st Career Fair Prep!!!!!!

"I have my resume and business suit ready!" What else do YOU need to do?

1. **Make a Target List** – Go to the [Career Fair's employer web directory](#). Make a target list of your top employers to visit ahead of time.
2. **Apply Now** - Apply for positions employers posted on [Wildcat Careers](#) BEFORE the Fair. This allows you to say that you have already applied and ask employers at the fair about the position
3. **Research** –Check out employers' web sites. Make a list of questions you could ask these employers.
4. **Practice Pitch** – Practice with a friend introducing yourself and highlighting your career interests. Try to relax and share something personal (e.g., favorite sport, hobby, etc.). Be human, not a robot!
5. **Get the suit ready:** Dress to impress! A suit is necessary for this event!
6. **Bring Copies** – Bring enough copies of your resume plus at least five extra.
7. **Calm Nerves** – At the fair, go to an employer who is NOT one of your top picks first. Use this employer as your test case to build confidence. Then go to your target list.
