I have read thoroughly the handout, “Paul College Undergraduate Programs - Information about Intercollege Transfers” which explains the eligibility requirements for applying. I understand that, although I may meet eligibility requirements, this does not guarantee acceptance into Paul College, as there are a limited number of spaces available for new intercollege transfer students.

By my signature below, I confirm that all of the information I provided in this application is accurate. I understand that my conduct record and GPA will be checked and if any information is found to be inaccurate I may not be accepted to the Peter T. Paul College of Business and Economics.
