

Biography – Lynda Toussaint

Lynda joined Unjani Clinics NPC in January 2014 as the CEO. She is responsible for the fundraising, implementation, management and rollout of the Unjani Clinic Network in South Africa, taking it to 100 Clinics by December 2021; and then scaling it to 1000 Clinics by December 2030. Unjani Clinics NPC is a non-profit company and registered public benefit organisation established specifically to raise funding for, implement, train, monitor and manage the Unjani Clinic Network. There are currently 78 Unjani Clinics operating nationally.

Prior to this she was the CEO of Pure Pharmacy (Pty) Ltd (now The Pure Group) from February 2012 to December 2013.

Lynda was an Executive Consultant to the Clicks Group from Oct 2010 to Nov 2011 dealing with regulatory issues and researching business opportunities. She was also the Managing Director of UPD from 2005 to 2010, SA's largest, national pharmaceutical wholesaler. UPD is a subsidiary of the Clicks Group and prior to becoming the MD; she was the Financial Director from 1999 to 2005. She joined UPD as a Project Accountant in January 1999 after completing her articles at KPMG.

She is a qualified Chartered Accountant, is passionate about the healthcare industry and ensuring access to quality, affordable healthcare for all South Africans. Lynda is a generalist, eager to find solutions to complex problems and loves a good challenge.
