Kimberly Clark, Director

It is recruiting season!! Be sure to check Wildcat Careers for updated postings and on-campus recruitment. Companies are on campus interviewing students for various summer and full time opportunities.

For help in creating your plan of action around finding a job or internship please set up an appointment with one of our counselors. Log into your account on Wildcat Careers to book a time. https://unh-csm.symplicity.com

If you see a company at the top of the grand staircase, stop and say hello!!

Many of our employers set up a table in order to share information about their company. This is a great chance to meet employers in a very informal setting.

Ask them about their company, what opportunities they may have, and why they like working for their company. These are some conversation starters that will help you uncover information about the company.

Welcome Kathy!

Kathy Maloney has joined our team in the career office. Kathy is here on Tuesday/Thursday and Friday. Kathy has worked at Blue Cross Blue Shield, Fidelity and Babson. Kathy also maintains a private career consulting practice.

Kathy will be working with our marketing and hospitality departments.

Career Tip of the Week

Do you have a life plan? Have you thought about the best way to plan out your career path during your time with us? Check out this 4-year plan overview for ideas and insights about how best to create a path. https://paulcollege.unh.edu/sites/paulcollege.unh.edu/files/webform/4%20year%20plan%202016.pdf

Career Services Events

Hospitality Management Networking Night
Wednesday, October 19th: 5:30pm-7pm
Squamscott Room- Holloway Commons
RSVP here: https://www.events.unh.edu/RegistrationForm.pm?event_id=22119

The Finance Symposium will be on Friday, October 28th, 2016. Check In will begin at 10:00AM.

The Finance Symposium allows prominent UNH alumni to have interactive discussions with current students. These alumni panelists, who have a vast array of experiences within the financial services industry, will discuss various topics, such as how they got to where they are today, what working in their space entails, and how the current market and global economic environment impacts their day-to-day jobs.

Students can use the following link to register: https://paulcollege.unh.edu/finance-symposium-2016
