Department of Hospitality Management

A Hospitality Management Minor is offered as a professional educational opportunity and designation for students enrolled in the liberal arts as well as other non-professionally-oriented degree programs as an entree to the world's largest industry, hospitality and tourism.

The minor in Hospitality Management offers a professional educational opportunity and designation for students enrolled in the liberal arts as well as other non-professionally-oriented degree programs as an entree to the world's largest industry, hospitality and tourism. Students designating the minor will have opportunities to interview with major hospitality companies for staff and management training positions. In addition, students will be better able to secure meaningful work experiences in the many job opportunities in the hospitality industry during their college career as they progress towards the minor.

The curriculum for the minor is comprised of 5 required courses. The courses have been selected to ensure that all students have a well-rounded learning experience that will strengthen their ability to succeed.

The five required courses are:

- HMGT 401: The Hospitality Industry: Historical Perspectives and Distinguished Lecture Series (a writing intensive course. Spring semester only for minor students)
- HMGT 405: Introduction to Food and Service Management (offered Spring Semesters)
- HMGT 554: Lodging Operations Management (pre-/co- requisite: HMGT401)
- HMGT 635: Hospitality Human Resource Management
- ADMN 502: Introductory Financial Accounting

Following University policy, a student must complete 20 semester hours with a grade of C- or better in each course and a 2.0 grade point average. Courses taken on a pass/fail basis may not be used for a minor. At the present time, one approved transfer course may be used toward the minor.
