Welcome to sophomore year and the year of opportunity! This defining year may take you in unexpected directions and help you discover new mentors, research areas, and intellectual passions or may help to strengthen existing ones. There are a plethora of resources at UNH to help explore your interests and meet your goals but it is up to you to take advantage of these opportunities. Sophomore year is about discovery and finding the right academic path that fits your needs and ambition for the future. We, your academic advisors, hope you are as excited to begin this journey as we are excited to help guide you through it.

**Paul College Advisors**
A main difference between freshman and sophomore year advising is that you no longer have a peer advisor to meet with regularly during the academic year. The Undergraduate Programs Office is located at 10 Garrison Ave, Suite 101 where you will work with professional advisors. The advisors can assist you with issues such as pre-registration, future planning, study abroad and more. Please note that you are not assigned an advisor and can schedule an appointment with any advisor in the office. Your advisors are:

- **Ashley Lapp**  
  Academic Counselor
- **Tamara Rury**  
  Interim Assistant Director
- **Lisa Pappajohn**  
  Academic Counselor

**Hospitality Management**

In order to assist you with completing your 800 hour practicum requirement, the Hospitality Department has revised a manual outlining the guidelines of the program. You can find a copy of the manual found on the Paul College website. If you have any questions about the requirement, please contact Donna Stickney at donna.stickney@unh.edu.

**Economics**

Sophomore year provides flexibility for some Economics students to consider picking up a minor. If interested, you should start researching minors and contact the specific department for course requirements.

**Attention BA students:** Don’t forget that you have a choice to add an option to your program. You may choose from Global Trade & Finance, Public Policy & Sustainability, or Money & Financial Markets.
