SUMMER SESSION 2014

Get an early start. Get the early edge!

Where do you see yourself this coming fall? Whether you have decided to attend UNH or are still exploring your options, summer courses and programs will challenge you intellectually and introduce you to college life. It's a great way to earn credits toward your future degree program and you don't need to be a matriculated student to register. Courses are offered online and on-campus.

With Summer Session you can:
- Enjoy smaller class sizes
- Lighten your course load
- Explore campus, library resources, the recreation center, and more
- Take an e-course from home
- Live on campus or commute
- Meet other students and faculty
