Welcome to UNH!

Here is some important information from UNH Business Services. You’ll want to keep it handy as we progress towards the beginning of the 2014/2015 academic year.

Our department provides a comprehensive financial operation to assist students and families with their university student accounts. We initiate billing, process loan and scholarship payments, and counsel students relative to their financial obligations. We are located in the lower level of Stoke Hall, and are open from 8:00 - 4:30, Monday through Friday. Please feel free to call us or visit when you come to campus. We can also be accessed via the Web at unh.edu/business-services. We will be very happy to answer your questions.

Information included below:

- Tuition and fee information
- Billing and payment information
- Monthly payment plan option
- Tuition and fees for 2014/2015 - Fall bills are posted online in mid-July and are due Thursday, August 7, 2014. To assist you in estimating your student’s educational expenses, here are expected costs for a typical student. Rates will be officially approved by the USNH Board of Trustees in June.

- All first-year students are charged a one-time administration fee of $350.
- CEPS students are charged tuition differentials each semester - $482.50/semester in 2014/2015
- PAUL students are charged tuition differentials each semester - $473.00/semester in 2014/2015
- Music majors are charged a $400 applied music fee each semester.
- Thompson School students are charged a one-time curriculum fee (amount based on program).

Tuition bills and monthly billing statements will be posted to each student’s “My UNH/Blackboard Account” in the UNH portal. (Bills are not sent through the mail.) Students will receive notice through their UNH-assigned email addresses when new bills are posted. Bills may then be printed or forwarded. Payments may be made electronically by check, or mailed to Business Services. Students are encouraged to set up Parent Portal accounts for parents or others who make payments on their behalf. See “Electronic Billing and Payment” at unh.edu/business-services for more information.
* Information on fees:

Mandatory fees are paid by all students, both campus residents and commuters. These fees partially fund a variety of programs and services and are a combination of the following:

* Monthly payment option:

UNH offers an interest-free monthly payment option through Tuition Management Systems. This allows you to spread your semester payments over 5 months. More information available at afford.com/unh.

* Communications to students:

University communications are sent to students through the following channels:

- Students receive bills, register, view grades, student accounts and financial aid through “My UNH,” (also known as “Blackboard”) part of the University web-based portal.
- Official notifications are sent to students via a UNH email address that is assigned by the University. Students should be sure to check that address regularly.
- Some university mailings are sent to campus addresses. Students are assigned a Granite Square Station mailbox at the MUB.
- Some notifications are sent in the student’s name to the permanent mailing address.
- Students may set up Parent Portal accounts to allow parents or others to view and pay student bills. Parent Portal account holders will receive emailed billing notifications and other reminders.

* Student health insurance:

The University of New Hampshire requires health insurance as a condition of enrollment for all full-time degree students. Information on the health insurance requirement and the Student Health Benefits Plan can be found at unh.edu/shbp. Students will have the option of waiving this requirement if they present proof of adequate coverage; alternatively, students can acquire affordable health insurance under a plan sponsored by the University and administered by Consolidated Health Plans.
