

GMAT WAIVER REQUEST

Due to the analytical nature of the MBA program, the Peter T. Paul College of Business and Economics requires the GMAT as part of the application process as a general policy. Under certain circumstances, an applicant for the full time, part time, or online MBA program may petition to waive the GMAT requirement if he/she has met specific criteria as outlined below. If you feel that you meet these conditions, please complete the form below and submit to the Paul College Graduate Programs Office.

NB: Please note that satisfaction of these conditions does NOT constitute an automatic waiver. The decision to grant a GMAT waiver rests with the MBA Admissions Committee and is determined upon their review of an applicant's completed admissions file.

FTMBA Exempt Conditions:

- Applicants who hold an advanced degree (e.g., Masters or higher) from a UNH accepting institution are exempt.
